

At NYC, we believe in a world where young people are respected and heard, and have the ability to influence and make a difference to the world. Together with our partners, we develop a dynamic and engaging environment where young people can realise their aspirations and play a part in making Singapore an endearing home for all.

NATIONAL YOUTH FUND (NYF)

Youth get **boost** to champion ground-up community and social causes through National Youth Fund!

What is NYF?

The \$100M National Youth Fund (NYF) encourages and supports ground-up youth initiatives and innovations that benefit the community.

Who may apply?

- Youth sector organisations, youth social enterprises, schools and Institutes of Higher Learning (i.e. Institutes of Technical Education, Polytechnics and Universities).
- Youth/ Youth leaders who have strong track record of community involvement. Applicants must be Singaporean/Singaporean Permanent Residents aged between 15 and 35 years.

What will NYF support?

- **Youth Programmes** – Youth related programmes for youths or by youths, which contribute towards youth leadership development, engagement of young working adults and the growth of youth interest groups or social movements, or enhancement of current youth related programmes.

At NYC, we believe in a world where young people are respected and heard, and have the ability to influence and make a difference to the world. Together with our partners, we develop a dynamic and engaging environment where young people can realise their aspirations and play a part in making Singapore an endearing home for all.

- **Capability Development** – Projects that strengthen organisational internal capabilities and capacities. This includes the development of the respective organisation’s internal capabilities in the areas of research, resource or programme development and manpower.
- **Youth Leadership Development** – Outstanding youth leaders who wish to pursue training and development in reputable local and international platforms with the intent of leading community projects/initiatives or starting new positive social movements.
- **Research** – Projects that deepen the understanding of salient youth issues or trends.

What are the funding considerations?

- Project meets a critical gap or emerging need in the youth sector
- Project possesses unique value proposition and creates impact to the youths/youth sector
- Project has sufficient risk mitigation strategies and impact evaluation
- Project involves wide audience and/or community outreach, and has significant media impact
- Project is scalable for higher impact over the next year or so
- Project adopts a clear business model to ensure long-term sustainability

If approved, funding will be on a co-sharing basis and assessed based on the merits of the project.

Approved projects are required to measure and report the impact of their programmes based on NYC’s youth development outcomes. Applicants will be required to select relevant youth development outcomes and indicators using the Impact Assessment Toolkit and submit it via the OurSG Grants Portal with the grant application. You may download both the Toolkit and the guide with instructions on using the toolkit [here](#).

The formal process of grant scoping and assessment to approval will take about 2 – 6 months, depending on the nature of the project and the grant quantum.

NYC reserves the right to amend all grant criteria and terms and conditions without prior notice.

NATIONAL YOUTH FUND Frequently Asked Questions

Q1: What is the purpose of the NYF?

A1: The NYF is a grant scheme to encourage ground-up youth initiatives and innovations to co-create social change for the benefit of the community. It is set-up to champion community and social causes.

Q2: What is the information required for an application?

A2: The NYF application must be by a Singapore-registered Youth Sector Organisation (YSO), Youth Social Enterprise (YSE) or an education institution (school or IHLs). A YSO is a Non-Profit Organisation whose core business focus is youth work or who run programmes for youth. A YSE is a business primarily focused on engaging and developing youths for the community and is initiated by youths aged 15 to 35, with a keen interest in running youth projects/programmes or with unique value proposition.

Applicants should provide personal particulars about their organising team members, a proposal and a budget in the required format, and any other information that may support the application.

Q3: When can I apply for the NYF?

A3: From 30 August 2021, applications for the National Youth Fund (NYF) Youth Programmes/Capability Development (YPCD) grant will only be accepted during the thematic partnership/ grant call periods provided they fall within the specified themes and will be evaluated on a first-come, first-served basis. Together with our partners, we develop a dynamic and engaging environment where young people can realise their aspirations and play a part in making Singapore an endearing home for all.

Q7: How is the fund disbursed?

A7: If your application is successful, the grant will be disbursed based on progressive disbursements contingent on the achievement of agreed milestones at the start of the project. Upon grant approval, a first disbursement will be credited to your designated bank account.

Q8: How do I get the remaining grant disbursement?

A8: The remaining grant disbursements will be contingent on NYC establishing that project progress is completed in accordance with the original proposal, and that the remaining funds are required after the assessment of the following documents:

- A complete and satisfactory report on achievement of deliverables for each agreed performance level or milestone;
- An endorsed statement of accounts to NYC for each agreed performance level or milestone;
- Scanned copies of receipts/invoices for all expenses incurred by the project or financial statements for the project that are externally audited by a public accountant;
- An email or external link containing 10 of your best project photos with captions where possible;
 - Photos should be of high resolution and reasonable quality (at least 1 MB each)

- Photos should be of the participants in action, interacting with others (please minimise posed shots)
- Please be mindful of unflattering angles of the participants
- Please ensure that consent has been obtained from the individuals in the photos for usage; and
- A presentation to NYF/NYC on the project upon request.

NYC reserves the right to withhold or adjust the remaining funds at its sole discretion.

Q9: How do I account for in-kind sponsorships in the project closure report?

A9: For in-kind sponsorships, the Statement of Accounts should reflect the estimated cost price/retail price of the sponsored items. Applicants must also highlight and indicate expenditure items that were sponsored for assessment purposes, and submit documentary proofs of the value of sponsorship/cost price/retail price, e.g. a sponsorship letter or email confirmation of the sponsorship indicating the item and value of sponsorship.

Q10: How should the receipts be submitted?

A10: All scanned receipts should be clearly labelled and arranged in accordance with the Statement of Accounts. NYC reserves the right to exclude receipts that are unclear or faded from the total project cost.

Q11: How will I receive the approved NYF grant?

A11: The NYF grant will be credited into the corporate bank account of the applying organisation within four weeks from the receipt of the duly signed Letter of Acceptance of the grant award. NYC prefers to credit the NYF grant by inter-bank GIRO, as it is more efficient and cost-effective.

For individuals applying to the NYF under Youth Leadership Development, the NYF grant will be credited into the individual's bank account by inter-bank GIRO on a reimbursement basis.

Q12: Who do I contact for assistance?

A12: If you have any questions, or wish to discuss your applications in detail, you are welcome to contact the Partnership Lab team through Email, at partnership_enquiries@nyc.gov.sg.
