# LEADERSHIP & SERVICE AWARD

Inspiring Individuals, Transforming Communities.

## NOMINATION FORM 2022

The Leadership and Service Award (LSA) is open to youths with leadership potential and an active track record in community volunteerism. Award winners will be fully subsidised to attend the Outward Bound Singapore's Classic 21-Day Challenge Programme. Shortlisted participants of the programme will undergo what many have termed as *"an experience of a lifetime"*, to hone their leadership capabilities and broaden their community perspectives. Graduates from the programme are expected to take up leadership roles in service projects for the community, both at the team and individual levels.

There is one LSA in November 2022. If you do not have the names of the nominees as of now, you can provide the estimated number of nominees by the closing dates. The nominees' names can be submitted one month before the closing date.
